Component Mission

The National Counterterrorism Center (NCTC) leads our nation's effort to combat terrorism at home and abroad by analyzing the threat, sharing that information with our partners, and integrating all instruments of national power to ensure unity of effort. The Center serves as the primary organization in the United States Government (USG) for analyzing and integrating all intelligence possessed or acquired by the USG pertaining to terrorism and counterterrorism, and its Director serves as the Counterterrorism Mission Manager. NCTC also serves as the central and shared knowledge bank on known and suspected terrorists and international terrorist groups, as well as their goals, strategies, capabilities, and networks of contacts and support. In addition, NCTC conducts strategic operational planning for counterterrorism activities, coordinating and integrating the efforts of departments and agencies across the Federal Government.

NCTC's Directorate of Intelligence (DI) is seeking an individual to serve as manager responsible for conducting analysis of multimedia production. The manager will lead a high-impact group of editors, production officers, graphic designers, cartographers, multimedia specialists, and disclosure officers responsible for the review, publication, and dissemination of all DI finished intelligence.

Major Duties and Responsibilities (MDRs)

To help lead this diverse group of multi-disciplined officers, NCTC DI is looking for a motivated and proactive manager with a focus on officer development, product excellence, and customer service; and a willingness to propose innovative solutions to address challenges and meet strategic goals.

Determine strategic direction and provide leadership and management oversight for the continuity of daily team operations and development of future team plans for publication/media personnel, resources, and programs located within an Office of the Director of National Intelligence (ODNI) production team.

Lead, direct, and foster coordination and collaboration with key customers, stakeholders, and senior personnel to ensure the staff is capable of delivering the highest quality finished intelligence products and services.

Anticipate the impact of changes across the ODNI on the unit's ability to support mission needs and proactively plan and implement strategies to leverage change to the customer's advantage.

Develop and lead the unit chiefs and assess performance, collaborate on and oversee goal setting, and provide feedback on personal and professional development

Mandatory and Educational Requirements

Superior leadership, management, and organizational skills, and ability to skillfully apply corporate, customer, and production/media knowledge, skills, and abilities to direct plans and management for production, personnel, and resources.

Excellent communication skills, both oral and written.

Superior interpersonal, organizational, and problem-solving skills, with sound judgment and the ability to work effectively both independently and in a team or collaborative environment.

Expert knowledge of customer organizations in order to ensure the group is capable of providing exceptional products and customer service.

Initiative and ability to multi-task, prioritize, and manage time effectively.

Expert ability to direct tasking's, assess and manage performance, collaborate on goal setting, and support personal and professional development of all levels of personnel.

Desired Requirements

Knowledge of corporate policy and guidelines for finished intelligence production; knowledge of formats, standards, and production resources for print and electronic publishing and/or video and multimedia processes and services.

Previous experience in production management.

Experience with managing a contract workforce; COTR training
